

A hand-drawn diagram of a rectangular plot. The top horizontal boundary is labeled '16' on the left and '4' on the right. The bottom horizontal boundary is labeled '310'. The left vertical boundary is labeled '620'. Inside the rectangle, there is a vertical line segment labeled '5' at the top and '190' below it. To the right of this line, there is a vertical line segment labeled 'A'.

$$H = 3.60$$

A hand-drawn floor plan of a rectangular room. The top wall is labeled '23' and the bottom wall is labeled '296'. The left wall is labeled '618' and the right wall is labeled '87'. In the center of the room, there is a vertical line and a horizontal line intersecting. The area above the horizontal line is labeled '4' and '180'. The area below the horizontal line is labeled '296'.
